### „Kahles/Lapua DLR Justiniana Prima 2021“

GT Shooting Club is holding a long-range shooting competition „Kahles/Lapua DLR Justiniana Prima 2021“ on Slišane shooting range (42°57'51.0"N 21°34'23.7"E), in accordance with KDRL (Kahles Dynamic Long Range) and PRS (Precision Rifle Series) rules.

**Date:** Saturday June 5th 2021

**Application deadline:** May 20th 2021

**Registration:** Via e-mail only on [toskegt1@gmail.com](mailto:toskegt1@gmail.com) (Your name, City, Country, Gun type/caliber and phone number)

**Entry fee:** 40 € (Lunch and soft drinks included)

**Number of contestants:** Up to 60

**Match director:** Ljubisa Todorovic, all information on +381 63 404 328

**Gun:** Maximum allowed caliber is .338 (8,59mm), no technical limitations, no rest or optics limitations. „One shooter = one gun“ rule is in effect.

### EYES AND EARS PROTECTION IS MANDATORY

**Ammunition:** 80 cartridges is the maximum number needed for completing the competition. Use of incendiary or armor-piercing bullets is forbidden.

**Distance:** 400-1200m. On some stages distances to the targets will not be known to shooters. Use of electronic equipment (laser range finders, etc) will not be allowed on every stage. Size of targets will be known to shooters on all stages.

## **Misc:**

- Competition will be held in current weather conditions. Competitors will not have a “sighter shots” on the day of the competition and will not have an insight on the stage themselves, prior to shooting that stage.
- Competitors are responsible for carrying their guns and equipment between stages
- Each competitor is responsible for his gun and ammunition
- Each competitor is responsible for his actions and obliged to follow safety protocols.

## **Recommended equipment:**

- Pen and paper
- Rangefinders
- Binoculars or monoculars
- Rear/front bags

## **Safety measures:**

- On the line of fire, all competitors must obey to the referee instructions (Range officer - RO)
- Changing position with the gun during the stage can be done only with bolt open
- Gun reloading or any other gun manipulation outside of the line of fire will result in disqualification without fee refund.
- Gun loading is allowed only by range officer instructions.
- At the end of each stage, the competitor must set bolt in the open position for inspection by referee (RO)
- In case of repeated safety rules violation, organizers keep the right to ban the competitor for all future competitions.
- Any presence of a person in the firing zone will lead to immediate stoppage of shooting and informing the range officer.
- Alcohol beverages are strictly forbidden during the match. Competitors under the influence of alcohol or psychoactive substances will be immediately banned from competition.
